Presentation Abstract

This presentation will discuss the fundamentals of Earned Value Management breaking down the terminology into easily understood language for everyone. The emphasis will be placed on the steps to develop a project's earned value management system: Define – Estimate – Schedule – Baseline.

Presenter Bio

Glenn Counts is the founder and CEO of The Earned Value Group, Inc (EVG, Inc.). In this capacity, he is responsible for overseeing the delivery of Earned Value Management Training, Implementation and Certification services to clients.

He has held the position of Business Analyst, Senior Consultant, Manager, Project Manager, and Program Manager and Director at corporations in the Financial and Professional Services sectors.

Glen Counts holds a Bachelor of Science degree in Management Information Systems from the University of South Florida, and an M.B.A., from Nova Southeastern University
